REQUEST FOR SUPPLEMENTAL NOTICE OF ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with 37 C.F.R. § 1.133, submitted herewith is a record of the substance of the interview on July 27, 2006, between Examiner Anjan K. Deb and applicants' representative, regarding the above-captioned application. An Interview Summary regarding the interview was received with the Notice of Allowance and Examiner's Amendment mailed on August 4, 2006. As noted in the Interview Summary, applicants agreed to the proposed amendment to include the limitations of claim 3 into independent claim 1, and to the cancellation of claim 3.

During the interview, applicants' representative also requested that dependent claim 6 be amended to delete the phrase "a detection circuit board having the detection circuit;" so that dependent claim 6 is consistent with the amendments to claim 1, which as amended already includes the detection circuit board.

Because the Examiner's Amendment did not amend claim 6 as noted, applicants respectfully request the Examiner to issue a Supplemental Notice of Allowance with Examiner's amendment amending claim 6

This statement is being submitted within one (1) month of the mailing date of August 4, 2006, of the Interview Summary and is therefore a timely response.

Respectfully submitted,
